

Item description/product images

Description

Material:

Roller and cage polyamide, glass-bead reinforced.
Steel axis.

Version:

Cage black.
Roller available in different colours.

Note:

The roller elements are matched to the aluminium profiles for roller rails and can be mounted on them quickly and easily. No tools required. The compact design with a small centre distance is optimally designed for the low-vibration conveyance of sensitive items.

Suitable for aluminium profiles Type B and I.
