Example of use

## Super Multi-Purpose Trolley

### Collect, commission and store

- easy to store due to its height of only 1010 mm
- extra items can be added, such as wire edging, section dividers, label holders, and side rods enabling you to modify the trolley to suit your own requirements and to extend its range of applications
- standard version equipped with two or three grid compartment shelves, a trolley handle and a handy all-purpose collector

### optional:

- textile laundry bags

### serial running gear:

- 4 swivel castors, 2 with double brake,  $\varnothing$  125 mm
