

## FLUQS® WALL SHELVING SYSTEM

BRACKETS &  
SHELVING SYSTEM

FLUQS® WALL SHELVING SYSTEM

# FLUQS®

## Exto Series

**FLUQS is a unique wall shelving system with an artistic touch and a contemporary look.**

The word FLUQS is from Latin "flatus" for wave, FLUQS frees you to arrange shelves in any pattern or configuration, how and when you please. The aluminium profile system is easy to install and adjust and visually coordinates well with gleaming aluminium, white or black finishes.

### Easily blends into any atmosphere.

- Fixing screws are invisible after installation.
- Shelves available in acrylic and aluminium plate.
- 2 types available: FLUQS 250/750 which can be used as wall panels and FLUQS 25/ ONE which has single hook base match with any wall design.

### Designed for safety and flexibility

- Easy installation - simply screw in place (base required).
- Accessories such as hooks and shelves fit firmly and stay put.

Installation Example  
Ceiling Height (CH) : 2800 mm

Install the bottom rail ①. Level the bottom rail before fastening. Insert the profile ② into the bottom rail. Fasten with screws.

Install the profile ② until it reaches required height. The profile will cover the screws.

Snap-in the top rail to cover all the screws.

Corner Installation
