

HOOK (AGED SCREW SERIES)

TEST METHOD 19

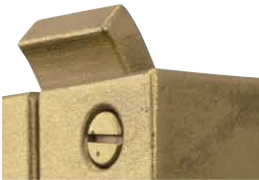

PXB-AS05-111

Brown Bronze

Clear Bronze

Generous amounts of brass cast into a nostalgic and rugged finish. Slotted front installation screws, influenced by old-fashioned American interiors.

Features

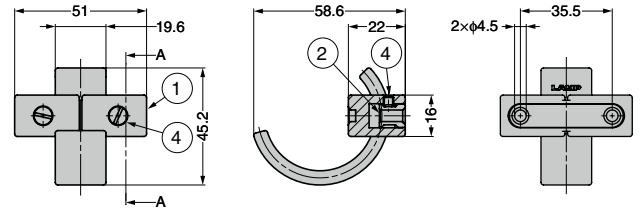

A wide array of matching products is available, allowing for total design coordination.

Remarks

- The finish of the product may vary as the surface processing is affected by the individual properties of each section of brass.
- The slotted set screws are for decoration only. Use the included screws to mount this product.

Parts Included

- Size 4 x 40 cross-recessed pan head tapping screws
- Size M4 plain washers
- Lock plug

HOOK (WOOD CHIC SERIES)

TEST METHOD 1

PXB-WC05-111

The curved lines at the base give the natural wood a luxurious, mature atmosphere. This simple, versatile design works well in both natural and modern spaces.

Features

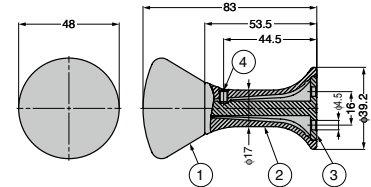

- Made from carefully selected wood and finished by hand.
- Base is made from metal for a high loading capacity.
- The matte black finish is coated with a special chromate. This type combines the desirable glossiness of paint with the unique strength of plating.

Remarks

- Product is made from natural wood, and final products may vary in terms of grain and colour.
- Product colour may differ from the photo. Please confirm the grain and colour by comparing with the actual product.

Parts Included

- Size 4 x 35 cross-recessed binding head tapping screws (stainless steel)
- Nominal 2 hex bar spanner
- Lock plug (for φ4 screw, compatible with φ5 drill, plug length 25)

*Align the set screws of the plate with the notches of the frame when mounting.

No.	Part Name	Material	Finish
①	Wooden Part	Natural wood	Clear Coating
②	Plate	Zinc Alloy (ZDC)	See the table
③	Frame		Gloss Chromate Finish
④	Size M4 x 6 Hexagon Socket Set Screws	Stainless Steel	Plain
