

LAMP. STAINLESS STEEL BRACKET BK-H Ultra Heavy-Duty **NEW**

Latest
Info

- Ultra heavy-duty shelf support made of stainless steel.

TEST METHOD 6

SUS

Application

- Suitable for heavy-load applications such as warehouses, back rooms, bar counters, and vanity units.

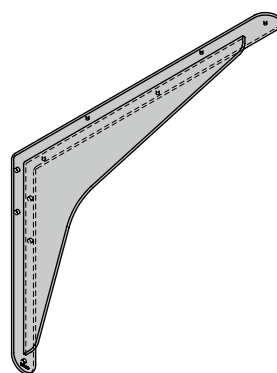

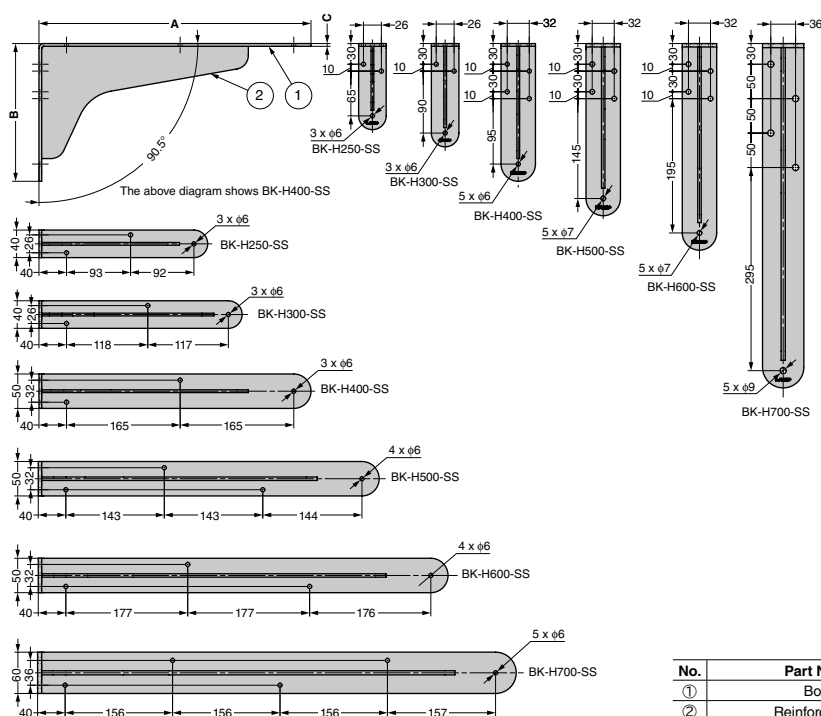

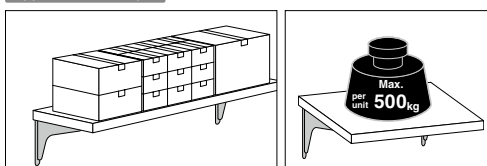

Remarks

- Install securely on a solid mounting surface using the included screws or recommended screws.
- To prevent tilting due to load when used as a shelf support, the angle is set slightly wider than 90°. Please check with the actual product.

Parts Included

- Truss head tapping screws (stainless steel)

Application Example

BK-H700-SS

No.	Part Name	Material	Finish
①	Body	Stainless Steel (SUS304)	Satin Finish
②	Reinforcement		

RoHS	Item Code	Item Name	A	B	C	Recommended Screw	Load Capacity N/1 pc	Load Capacity kgf/1 pc	Weight (g)
